HB 650

FLUSH PULL

The Halliday+Baillie HB 650 Flush Pull is a diminutive version of the classic HB 660. The HB 650 has been created specifically for small sliding windows and built in joinery where a consistent theme is required with the rest of the Halliday+Baillie range.

Use this pull with the HB 680 Edge Pull for pocket doors for a modest passage set, or for smaller doors and furniture to provide a seamless appearance across door types in a project where other Halliday+Baillie Flush Pulls are specified.

Each HB 650 Flush Pull is shipped with one set of the HB 604 Timber Fixing kits.

Material: Diecast Zinc and Brass

Dimensions: 105 (4.13") x 36 (1.42") x 15 (0.51")

Internal grip depth: 11 (0.43")

Suitable for timber or aluminum doors.

Available in all standard Halliday + Baillie finishes. See finishes sheet for further details.
